THE FOCUS

THEATER:

Renaissance Kids develop their oral skills and language arts through improvisation, role-playing, monologues, poetry, dance and musical theater. Renaissance camp helps your child discover more confidence and more independence.

“A Renaissance Kid is prepared for the World’s stage!”

Kids give a special cabaret performance for the parents at the end of each session.

ACADEMICS:

A Renaissance Kid belongs at the head of the class! During daily academic sessions, we will identify your child’s biggest challenges and tutor them accordingly.

ART:

Renaissance Kids are exposed to activities such as painting, drawing and crafts, while learning to appreciate the art and its rich history. All stage and sets are designed by the kids.

MUSIC:

Renaissance Kids explore the works of music through vocal training and songwriting.
